

Scholls Grange Hall is in need of significant repairs and maintenance. We have been a part of the Scholls community for 115 years. Originally meeting at the Oddfellows Hall (the second floor of Scholls South Store), Scholls Grange was founded in April 1903. In 1918 the Artisan’s Hall was purchased and has been our home ever since. The Grange Hall is showing her age and needs help.

Thank you for your continued support!

You can help by providing:

- Labor
- Materials
- Cash donations

Project	Description
